TOGETHER WE CAN END HUNGER IN OUR COMMUNITY!

The CCNY/NYPIRG Food Pantry was founded to help support the needs of our campus and is open to any member of our campus family. We work to alleviate the issue of food insecurity at City College through nutritional support and information, donations of food items and referrals to campus-wide resources. We accept monetary donations and gifts of non-perishable items year-round and welcome collaborations and campus wide engagement with our CCNY Community.
